

This is a fillable form. Please print and sign when completed.

Complete the following application forms:

- Form A:** Application form
- Form B:** Payment information
- Form C:** Declaration of understanding and release of information
 - **This form must be printed, signed, and dated by you and a witness**
- Form D:** Scope of practice
 - Describes your current scope of practice. This is reviewed by members of your discipline's specialty committee ensuring that your current practice profile has the necessary breadth to be assessed for the specialty.
- Attach an up-to-date CV summarizing the following:**
 - Medical school name, graduating year, country
 - Postgraduate training appointments: *start and end dates (month/year), number of months, hospital/university, specialty, level of training*
 - Specialty certification(s) received: *date, name of certification, jurisdiction (country/province/state etc.)*
 - Practice details: *start and end dates (month/year), type of practice, location (city/province/state/country etc.)*
 - All your previous and current medical licenses from every jurisdiction since your graduation from medical school: *date, type, jurisdiction (country, province, state etc.)*
 - Explain any gaps longer than three (3) or more consecutive months in your history of training and practice.

Important Notes

- Return all forms completed in full to the Royal College using the contact information below
- You will receive e-mail confirmation that your application has been received
- The Royal College will remain in contact with you via e-mail. Contact coa@royalcollege.ca or update your contact information online at www.royalcollege.ca/coa
Please ensure that we have your current e-mail address on file
- Applications will be reviewed in the sequence in which they are received
- You will be contacted directly if we require any additional information

Verification of your postgraduate medical education (PGME) and practice documentation:

Copies of any Canadian licensure and training documentation should be included with your application.

All international licensure and training documentation must be source verified by physiciansapply.ca.

- Open an account with physiciansapply.ca (physiciansapply.ca will establish a confidential, lifetime portfolio for you).
- Upload the required documentation.
- Activate sharing to allow the Royal College to view your source verified documents.

Evidence of practice as an independent specialist in the specialty applied for:

<input type="checkbox"/> Non-Canadian licensure: Submit to physiciansapply.ca for verification <input type="checkbox"/> Canadian licensure: Submit to per@royalcollege.ca for verification	<p>Proof of practice for your last five years of practice</p> <ul style="list-style-type: none"> • Provide a copy of specialist licensure for all of the jurisdictions that you currently hold or have held licensure to practice • Include your current medical license to practice in Canada
<input type="checkbox"/> Submit to physiciansapply.ca for verification	<p>Proof of eligibility to practice as an independent specialist in the jurisdiction of training</p> <ul style="list-style-type: none"> • Copy of licensure from the jurisdiction of training showing that you practiced as an independent specialist in the specialty applied for <i>and/or</i> • Specialty certificates/diplomas received from jurisdiction of training
<input type="checkbox"/> Submit to per@royalcollege.ca for verification	<p>Certificate of Professional Standing</p> <ul style="list-style-type: none"> • Order a Certificate of Professional Standing from your Medical Regulatory Authority (MRA). The certificate must be ordered by you and sent to the Royal College directly • In general there is an online link on your MRA website to release the certificate to the Royal College

Evidence of specialty training

Note: If the Royal College has already completed an assessment of your specialty training due to an application through an alternate route, additional verification of your training by physiciansapply.ca is *not* required.

<input type="checkbox"/> Submit to physiciansapply.ca for verification	<p>Copy of your Medical Degree</p> <ul style="list-style-type: none"> • Example: MD, MBBS
<input type="checkbox"/> Submit to physiciansapply.ca for verification	<p>Documented evidence of postgraduate training completed to date</p> <p>Example:</p> <ul style="list-style-type: none"> • Completion of training certificate or • Written confirmation from the program director of your training program indicating the scope of your training and the start and finish dates <p>Note: If you trained in a number of locations and institutions submit documentation for all periods of training.</p>

City and province

By providing my signature, I, the above-named physician, hereby agree to the following:

Release of information to your Medical Regulatory Authority (MRA)

I agree that the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may release and disclose any and all information to the Medical Regulatory Authority ("MRA") in the province or territory in which I hold a medical license and/or registration to practice medicine and other national regulatory authorities, relative to my training history, practice profile, credentialing and examination eligibility, examination and or assessment results including but not limited to my scope of practice description, eligibility details, summary of performance and any ongoing evaluations and outcome. The Royal College may provide to my MRA copies of any and all records in my file. This authorization shall continue until revoked by me in writing.

Sharing of information between your current chief of staff and the Royal College

I authorize the person I listed as my Chief of Staff/Supervisor on Form A to release any and all information which the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may request relating to my training history, credentialing, and examination eligibility. I hereby authorize my chief of staff/supervisor to provide to the Royal College copies of any and all records in my file. This authorization shall continue until revoked by me in writing. A photo copy of this authorization shall serve in its stead.

Consequences of False/Fraudulent Documentation and/or Irregular Behavior

I agree to provide authentic and accurate information and documentation to the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") and to participate in good faith in the assessment process.

I understand that if I provide false/fraudulent documentation to the Royal College or engage in irregular behavior with respect to my assessment, my actions may lead to serious consequences as outlined below.

In the event (i) that any of my information submitted to the Royal College including personal information in any documents in support of my application, including my credentials, is determined or believed by the Royal College not to be authentic or to be false, fraudulent or otherwise deceptive, or (ii) that any such information related to the Royal College submitted to other agencies is determined or believed by them or the Royal College not to be authentic or to be false, fraudulent or otherwise deceptive, or (iii) of any irregular behavior, the Royal College may take appropriate action as it sees fit, including, but not limited to:

- Revoking my eligibility;
- Terminating my assessment and withholding or invalidating my assessment results;
- Barring me from any future Royal College examinations or other assessments; and
- Notifying each of the Canadian medical regulatory authorities, in addition to licensing, regulatory, educational, training, resident matching services, credentials verification authorities, hospitals, clinics and other medical facilities and organizations that utilize the services of physicians, government agencies (local, state, provincial, federal or foreign), law enforcement agencies or other third parties and organizations, and their representatives, who in the opinion of the Royal College have a legitimate interest in such information. I acknowledge that this notification or disclosure of information may occur regardless of whether or not I have withdrawn my consent to any other uses or disclosures of my information by the Royal College.

Confidentiality agreement

I undertake to respect the confidentiality of the assessment and acknowledge that I understand the following:

Failure to respect the confidentiality of the assessment may be deemed professional misconduct and my assessment results may be voided, and the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may notify Canadian licensing authorities of the situation.

That the examination and practice based assessment questions and scenarios are protected by copyright and are the exclusive property of the Royal College.

That any reproduction, dissemination or other disclosure of the assessment questions and or scenarios in whole or in part is strictly prohibited and that the Royal College may take all available disciplinary measures and legal actions against any candidate or others who violate this confidentiality provision including revocation of eligibility, cancellation of results and prohibition from any other Royal College examination/assessment.

Declaration of understanding & authorization for release of information *cont'd*

Release of information between Pivotal Research and the Royal College

I authorize the Royal College to release my contact* information to:
 Pivotal Research Inc. for the purposes of the completion of the Multisource Feedback surveys

Immunity and Release

I hereby extend absolute immunity to, and release, discharge and hold harmless from any and all liability:
 (1) Royal College and its respective employees, agents, representatives, members, directors and officers; (collectively known as the Royal College,) for or in respect of any acts, communications, reports, statements, documents, recommendations or disclosures involving me, made in good faith and without malice by the Royal College.

Limitation of Liability:
 The Royal College's liability for damages in connection with the conduct of the assessment whether arising in contract (including fundamental breach), tort (including negligence), or otherwise, even if the Royal College has been advised of the possibility of such damages, shall not exceed the amount of the assessment fee paid by the candidate. In no event shall the Royal College be liable for any indirect, incidental or consequential damages of any kind regardless of the cause and whether arising in contract (including fundamental breach), tort (including negligence), or otherwise, even if the Royal College has been advised of the possibility of such damages and release:

By providing my signature, I, the above-named physician, hereby acknowledge and agree to the Terms and Conditions listed above and consent to the disclosure of my personal information in accordance with those Terms and Conditions.

Definition of a scope of practice:

1. Every physician's scope of practice is unique
2. A physician's scope of practice is determined by the patients the physician cares for, the procedures performed, the treatment provided, and the practice environment.
3. A physician's ability to perform competently in his or her scope of practice is determined by the physician's knowledge, skills and judgement, which are developed through training and experience in that scope of practice.

Identification

Surname

Given name

1) Place and year of certification in Emergency Medicine:

2) Submit a log book of sentinel cases and procedures

See requirements below

Log book attached

- Remove all identifying information.
- Provide sufficient detail to allow Specialty Committee to understand the case mix and frequency.
- Log book must be signed off by your clinical chief(s).

3) Which of the following best describes the community where you practice?

Urban population > 500,000

Urban population 250,000 - 499,999

Urban population 100,000 - 249,999

Urban population 50,000 - 99,999

Urban population 25,000 - 49,999

Rural population < 25,000

Practice Eligibility Route to Certification for Specialists (PER)

Form D: Current scope of practice

EMERGENCY MEDICINE

4) Which of the following best describes your current practice?

<input type="checkbox"/>	Full-time clinical Emergency Medicine	
<input type="checkbox"/>	Split clinical Emergency Medicine with additional specialty or subspecialty practice	
<input type="checkbox"/>	Split clinical Emergency Medicine with additional primary practice	
<input type="checkbox"/>	Clinical Emergency Medicine with academic/administrative duties	
<input type="checkbox"/>	Non-clinical role related to Emergency Medicine (specify)	<input type="text"/>
<input type="checkbox"/>	Other (specify)	<input type="text"/>

5) Indicate the time (in hours per week) you have spent, on average, working in each of the following, over the past twelve months (this section must be endorsed as accurate by the clinical chief):

a) Hospital emergency department (clinical)	<input type="text"/>	hrs/week
b) Urgent care centre or emergency department no located within a hospital	<input type="text"/>	hrs/week
c) Other hospital-based specialty/subspecialty	<input type="text"/>	hrs/week
Specify	<input type="text"/>	
d) Other non-hospital-based specialty/subspecialty	<input type="text"/>	hrs/week
Specify	<input type="text"/>	
e) Other primary care practice	<input type="text"/>	hrs/week
Specify	<input type="text"/>	
f) Non-clinical or academic work related to EM	<input type="text"/>	hrs/week
Specify	<input type="text"/>	
Total	<input type="text"/>	hrs/week

6) Have you been formally trained and certified to perform bedside ultrasound examinations in the emergency department? Yes No

If yes, specify certifying body:

NOTE: Copies of certificate(s) should be submitted to physiciansapply.ca for source verification.

Practice Eligibility Route to Certification for Specialists (PER)

Form D: Current scope of practice

EMERGENCY MEDICINE

8) Describe each emergency department in which you work in terms of the following:

NOTE: If you work in more than one hospital-based emergency department, complete a copy of section 8 for **each department**, indicating how many hours per week you spend in each location.

a) Over the past 12 months, how many hours per week have you spent on average working clinically in this department:

hrs/week

b) Patient population:

Adult only

Pediatric only

Mixed adult and pediatric

% adult

% pediatric

c) Annual emergency department census:

> 50,000

30,000 - 49,999

< 30,000

d) Identify all of the following that apply to this emergency department:

Designated trauma centre

Adult

Pediatric

Trauma team

Teaching centre

Undergraduate

Postgraduate

e) Indicate which of the following consulting services are available on site at this facility:

Cardiac surgery

Interventional cardiology

Neurosurgery

Emergency Hemodialysis

Vascular surgery

Interventional endoscopy

Critical Care

Others? (specify)

f) Indicate which of the following imaging services are accessible on an emergency basis on site at this facility.

Ultrasound

CT

MRI
