Leveraging Elentra’s assessment plan builder to visualise and track resident performance

Andrew Dos-Santos
September 28, 2019
I do not have an affiliation (financial or otherwise) with a pharmaceutical, medical device or communications organization.

Je n’ai aucune affiliation (financière ou autre) avec une entreprise pharmaceutique, un fabricant d’appareils médicaux ou un cabinet de communication.
Objectives

• Describe our iterative, collaborative design process for supporting programmatic assessment & resident development

• Describe how Elentra’s Assessment Plan Builder captures assessment requirements

• Highlight how the program-level CBME Dashboard leverages assessment plans to support resident development
D EPA 1: Assessing Patients with Known Kidney Disease - FINAL

Minimum number of assessments* With a global assessment rating equal to or higher than*
