TiMEdoTeach – Innovative Outreach and Support for Universal Faculty

Cait Dennis and Nancy Davies
University of Leeds, UK
I do not have an affiliation (financial or otherwise) with a pharmaceutical, medical device or communications organization.

Je n’ai aucune affiliation (financière ou autre) avec une entreprise pharmaceutique, un fabricant d’appareils médicaux ou un cabinet de communication.
What is it?

A staff development vehicle from the medical school to the university, placements, healthcare professionals, voluntary groups, patients and public – Universal Faculty
One banner, a logo, a bag, a badge, sweets and an enthusiastic team
“I had a student in my appointment. I knew to talk to him as well”
Dermatology patient

“Extremely useful session to clarify the role of fourth year medical students and their abilities”
Nurse

“When I see a QR code, I know they have talked to the medical school and I feel OK to ask for feedback”
4th Year Student

“Ten minutes of useful top teaching tips – just right for my attention in a busy day”
Registrar
Impact

- After sessions, 100% confidence in knowing what to teach
- Increase in booking onto CPD workshops
- Increase in OSCE examiners
- Increase in ‘Green Cards’ – mark of excellence teaching
- Better quality feedback in WBA
- Student doctors and Physician Associates education promoted
- Feedback emailed by patients regarding students performance

The Team – Universal Faculty
