

WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR THE 2022 EXAM YEAR.

At this time, we will not accept applications for 2023 or later.

IMPORTANT INFORMATION

- **If deemed eligible for the examination**, you will be provided with 3 consecutive years of eligibility to the examination, beginning with the examination year applied for.
- **Deferrals** will only be granted in exceptional situations. Please refer to section 5.8 of the [Policies and Procedures for Certification and Fellowship](#) for additional information.
- **Renewals:** Please refer to section 5.7 of the [Policies and Procedures for Certification and Fellowship](#) for information on renewals of eligibility.

PLEASE NOTE

- Receipt of your application will be acknowledged via email within 5 business days
- It takes an average of 6-8 months to complete an assessment of training/practice
- The Royal College will communicate with you via email. Please ensure we have your up-to-date contact information at all times. Information can be updated at www.royalcollege.ca/coa
- Due to the high volume of requests, we ask that you refrain from contacting the Credentials Unit in order to allow for the timely processing of all requests equally and fairly.
- We understand your assessment is important to you and we will make every effort to expedite your request. You will be contacted if additional information is required to process your application.

CRITERIA TO APPLY

- Specialist training was completed outside Canada and the United States
- Completion of all postgraduate medical education (PGME) training requirements of the jurisdiction in which training occurred.
- Time in training which is equivalent to the [Specialty Training Requirements](#) in your specialty.
- Minimum three (3) years of practice as an independent specialist in the specialty applied for (any jurisdiction) at the time of application.
- Eligibility to practice (or previous practice) as an independent specialist in the country of postgraduate training.

PLEASE SELECT WHICH OF THE FOLLOWING APPLY TO YOU:

<input type="checkbox"/>	I have between 3 and 5 years of practice as an independent specialist <u>or</u> I have more than 5 years of practice as an independent specialist, but do not have the final 2 years of practice in a current and continuous practice location in Canada
<input type="checkbox"/>	I have more than 5 years of practice as an independent specialist, with the final 2 years of practice in a current and continuous practice location in Canada.

REQUIRED DOCUMENTATION

Please submit the following documents to the Royal College with your application:

<input type="checkbox"/>	An up-to-date CV which includes the following information: <ul style="list-style-type: none"> • A summary of your practice and training to date • An explanation of any gaps in training or practice longer than three (3) consecutive months
<input type="checkbox"/>	A copy of your currently medical license to practice (<i>if currently practicing in Canada</i>)
<input type="checkbox"/>	A certificate of professional standing from your current Medical Regulatory Authority (<i>if currently practicing in Canada</i>) This certificate must be ordered by you and sent to the Royal College directly from the MRA.
<input type="checkbox"/>	Details of training rotations completed to date in your specialty (e.g. area of rotation and time spent in this area)
<input type="checkbox"/>	Evidence of language proficiency in English or French

Please submit the following documents to Physicians Apply for source verification.

Please remember to activate sharing of each document with the Royal College.

<input type="checkbox"/>	A copy of your medical degree (e.g. MD, MBBS)
<input type="checkbox"/>	Specialty certificate/diploma received from jurisdiction of training showing eligibility to practice as an independent specialist
<input type="checkbox"/>	Specialist licensure for all jurisdictions that you currently hold or have held a license to practice in your specialty
<input type="checkbox"/>	Certificate of professional standing from your current practice location (<i>if outside Canada</i>)
<input type="checkbox"/>	Internship document
<input type="checkbox"/>	Evidence of postgraduate training completed to date (e.g. completion of training certificate (CCT) or written confirmation from the Program Director of your training program indicating the scope of your training and the start and finish dates) Note: if you trained in a number of location and institutions, please submit documentation for all periods of training.

PLEASE SEND YOUR COMPLETED APPLICATION FORMS TO ONE OF THE FOLLOWING:

Postal address:

Royal College of Physicians and Surgeons of Canada
Credentials Unit
774 Echo Drive
Ottawa, ON
K1S 5N8

Email: per@royalcollege.ca

Fax: (613) 730-3707

Please ensure that you have reviewed the criteria to apply and have completed the application in full prior to submitting

FEES

The deadline to submit your application is April 30 of the year before you wish to be examined. Should you submit your application after the deadline, you will be subject to the [non-refundable late penalty fee](#) which is in place at the time your application is submitted.

There is no guarantee that your application will be processed on time for the examination registration deadline.

Please see the fee schedule below. A credit card authorization form is included with this application.

Date application received by the Royal College	Fee
Before April 30 of the year before you wish to be examined	\$7,000
Between May 1 and August 1 of the year before you wish to be examined	\$7,710
After August 1 of the year before you wish to be examined	\$8,410

DECLARATION OF UNDERSTANDING & AUTHORIZATION FOR RELEASE OF INFORMATION

Identification

Surname:

Date of birth (*DD/MM/YY*):

Given name:

Middle name:

Dated at (*city and province*):

By providing my signature, I, the above-named physician, hereby agree to and authorize the following:

Release of information to your Medical Regulatory Authority (MRA)

I agree that the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may release and disclose any and all information to the Medical Regulatory Authority ("MRA") in the province or territory in which I hold a medical license and/or registration to practice medicine and other national regulatory authorities, relative to my training history, practice profile, credentialing and examination eligibility, examination and or assessment results including but not limited to my scope of practice description, eligibility details, summary of performance and any ongoing evaluations and outcome. The Royal College may provide to my MRA copies of any and all records in my file. This authorization shall continue until revoked by me in writing.

Release of information between Pivotal Research and the Royal College

I authorize the Royal College to release my contact information to Pivotal Research Inc. for the purposes of the completion of the Multisource Feedback surveys,

Sharing of information between your current Chief of Staff/Supervisor and the Royal College

I authorize the person I listed as my Chief of Staff/Supervisor to release any and all information which the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may request relating to my training history, credentialing, and examination eligibility. I hereby authorize my Chief of Staff/Supervisor to provide to the Royal College copies of any and all records in my file. This authorization shall continue until revoked by me in writing. A photo copy of this authorization shall serve in its stead.

Consequences of false/fraudulent documentation and/or irregular behaviour

I agree to provide authentic and accurate information and documentation to the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") and to participate in good faith in the assessment process.

I understand that if I provide false/fraudulent documentation to the Royal College or engage in irregular behavior with respect to my assessment, my actions may lead to serious consequences as outlined below.

In the event (i) that any of my information submitted to the Royal College including personal information in any documents in support of my application, including my credentials, is determined or believed by the Royal College not to be authentic or to be false, fraudulent or otherwise deceptive, or (ii) that any such information related to the Royal College submitted to other agencies is determined or believed by them or the Royal College not to be authentic or to be false, fraudulent or otherwise deceptive, or (iii) of any irregular behavior, the Royal College may take appropriate action as it sees fit, including, but not limited to:

- Revoking my eligibility;
- Terminating my assessment and withholding or invalidating my assessment results;
- Barring me from any future Royal College examinations or other assessments; and

Notifying each of the Canadian medical regulatory authorities, in addition to licensing, regulatory, educational, training, resident matching services, credentials verification authorities, hospitals, clinics and other medical facilities and organizations that utilize the services of physicians, government agencies (local, state, provincial, federal or foreign), law enforcement agencies or other third parties and organizations, and their representatives, who in the opinion of the Royal College have a legitimate interest in such information. I acknowledge that this notification or disclosure of information may occur regardless of whether or not I have withdrawn my consent to any other uses or disclosures of my information by the Royal College.

Confidentiality Agreement

I undertake to respect the confidentiality of the assessment and acknowledge that I understand the following:

Failure to respect the confidentiality of the assessment may be deemed professional misconduct and my assessment results may be voided, and the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may notify Canadian licensing authorities of the situation.

That the examination questions and scenarios are protected by copyright and are the exclusive property of the Royal College.

That any reproduction, dissemination or other disclosure of the assessment questions and or scenarios in whole or in part is strictly prohibited and that the Royal College may take all available disciplinary measures and legal actions against any candidate or others who violate this confidentiality provision including revocation of eligibility, cancellation of results and prohibition from any other Royal College examination/assessment.

Immunity and Release

I hereby extend absolute immunity to, and release, discharge and hold harmless from any and all liability:

- 1) Royal College and its respective employees, agents, representatives, members, directors and officers; (collectively known as the Royal College,) for or in respect of any acts, communications, reports, statements, documents, recommendations or disclosures involving me, made in good faith and without malice by the Royal College.

Limitation of Liability:

The Royal College's liability for damages in connection with the conduct of the assessment whether arising in contract (including fundamental breach), tort (including negligence), or otherwise, even if the Royal College has been advised of the possibility of such damages, shall not exceed the amount of the assessment fee paid by the candidate. In no event shall the Royal College be liable for any indirect, incidental or consequential damages of any kind regardless of the cause and whether arising in contract (including fundamental breach), tort (including negligence), or otherwise, even if the Royal College has been advised of the possibility of such damages and release:

By providing my signature, I, the above-named physician, hereby acknowledge and agree to the Terms and Conditions listed above and consent to the disclosure of my personal information in accordance with those Terms and Conditions.

SPECIALIST TRAINING INFORMATION

- Please provide an overview of the specialty training you have completed
- If possible, provide a single Program Director that can attest to all periods of specialty training
- Please ensure your Program Director is willing and able to provide an attestation of your training and are aware they will be contacted by the Royal College.
- Attach a separate document with your specialist training information if additional room is required
- Attached a separate document which details information about the specific rotations you completed during the specialist training outlined below (i.e. letters, training summary)

Start date:	End date:
Position:	Location:
Program Director name:

Please indicate your end-of-training date:

Did you have any interruptions or delays in your training? If yes, please complete the table below:		
Start date	End date	Type of leave/description

Did you focus on a particular subspecialty in your final year(s) of training? If yes, please complete the table below:

Start date	End date	Subspecialty

Program Director name:

Program Director email address:

Have you ever had your license or certification revoked by any medical authority and/or been subject to disciplinary action of any kind by such an authority? If yes, please explain.

Do you require any exam accommodations? Please see the Royal College website for instructions and additional information on [exam accommodations](#).

Definition of a scope of practice:

1. Every physician's scope of practice is unique
2. A physician's scope of practice is determined by the patients the physician cares for, the procedures performed, the treatment provided, and the practice environment
3. A physician's ability to perform competently in his or her scope of practice is determined by the physician's knowledge, skills and judgement, which are developed through training and experiences in that scope of practice

Name of applicant

1) Place and year of certification in Emergency Medicine:

2) Submit a logbook of sentinel cases and procedures
See requirements below

Logbook attached

- Remove all identifying information
- Provide sufficient detail to allow the Specialty Committee to understand the case mix and frequency
- Log book must be signed off by your clinical chief(s)

3) Which of the following best describes the community where you practice?

Urban population > 500,000

Urban population 250,000 – 499,999

Urban population 100,000 – 249,999

Urban population 50,000 – 99,999

Urban population 25,000 – 49,999

Rural population < 25,000

4) Which of the following best describes your current practice?

- Full-time clinical Emergency Medicine
- Split clinical Emergency Medicine with additional specialty or subspecialty practice
- Split clinical Emergency Medicine with additional primary practice
- Clinical Emergency Medicine with academic/administrative duties
- Non-clinical role related to Emergency Medicine (specify) _____
- Other (specify) _____

5) Indicate the time (in hours per week) you have spent, on average, working in each of the following over the past 12 months (*this section must be endorsed as accurate by the clinical chief*):

a. Hospital emergency department (clinical)		hrs/week
b. Urgent care centre or emergency department not located within a hospital		hrs/week
c. Other hospital-based specialty/subspecialty (please specify)		hrs/week
d. Other non-hospital based specialty/subspecialty (please specify)		hrs/week
e. Other primary care practice (please specify)		hrs/week
f. Non-clinical or academic work related to EM (please specify)		hrs/week
Total		hrs/week

8) Describe each emergency department in which you work in terms of the following:

NOTE: If you work in more than one hospital-based emergency department, complete a copy of section 8 for each department, indicating how many hours per week you spend in each location.

a. Over the past 12 months, how many hours per week have you spent, on average, working clinically in this department:			hrs/week
b. Patient population			
<input type="checkbox"/> Adult only			
<input type="checkbox"/> Pediatric only			
<input type="checkbox"/> Mixed adult and pediatric		% adult	% pediatric
c. Annual emergency department census			
<input type="checkbox"/> > 50,000			
<input type="checkbox"/> 30,000 – 49,999			
<input type="checkbox"/> < 30,000			
d. Identify all of the following that apply to this emergency department			
<input type="checkbox"/> Designated trauma centre	<input type="checkbox"/> Adult	<input type="checkbox"/> Pediatric	
<input type="checkbox"/> Trauma team			
<input type="checkbox"/> Teaching centre	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Postgraduate	
e. Indicate which of the following consulting services are available <u>on site at this facility</u>			
<input type="checkbox"/> Cardiac surgery			
<input type="checkbox"/> Interventional cardiology			
<input type="checkbox"/> Neurosurgery			
<input type="checkbox"/> Emergency Hemodialysis			
<input type="checkbox"/> Vascular surgery			
<input type="checkbox"/> Interventional endoscopy			

<input type="checkbox"/> Critical Care		
<input type="checkbox"/> Other (please specify)		
f. Indicate which of the following imaging services are accessible on an emergency basis <u>on site at this facility</u> .		
<input type="checkbox"/> Ultrasound		
<input type="checkbox"/> CT		
<input type="checkbox"/> MRI		
g. Annual admission rate to hospital of the patient seen in <u>this emergency department</u> ?		%
h. Percentage of patients registered in each CTAS (Canadian Triage and Acuity Score) category for this emergency department in a typical year.		
CTAS 1		%
CTAS 2		
CTAS 3		
CTAS 4		
CTAS 5		
i. Average hours of staff emergency physician coverage per day for this emergency department:		hrs/day
j. Are you, as a staff emergency physician, responsible for seeing all types of patients that present to this emergency department while you are on shift?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
If no, indicate those types of patients that you do not personally attend:		

k. Do regional ambulance dispatch policies result in any type of patient being routinely diverted from this department to another receiving facility?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
---	------------------------------	-----------------------------

If yes, list those types of patients that are routinely diverted:

--

9) With respect to your overall emergency medicine practice for the past 12 months, indicate the approximate frequency with which you would care (or supervise care) for the following:

Adult presentations	Weekly	Monthly	Rarely
Major trauma (ISS > 12)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cardiac arrest or post arrest	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Respiratory failure including intubation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Seriously ill adult requiring ICU admit	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Undifferentiated shock	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Sepsis (any source)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Acute coronary syndrome	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Acute stroke	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Altered LOC (GCS <9)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Serious toxic ingestion/exposure	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Pediatric/adolescent presentations	Weekly	Monthly	Rarely
Major trauma (ISS > 12)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cardiac arrest or post arrest	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Respiratory failure including intubation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ill newborn/infant requiring ICU admit	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Undifferentiated shock	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Sepsis (any source)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Altered LOC (GCS <9)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Serious toxic ingestion/exposure	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Extremity trauma (#, dislocation)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10) With respect to your overall emergency medicine practice for the past 12 months, indicate the approximate frequency with which you would perform (or supervise as the most responsible physician) the following procedures:			
	Weekly	Monthly	Rarely
Endotracheal intubation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Central line placement	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Arterial line placement	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Tube thoracostomy	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Reduction of displaced fracture	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Reduction of extremity dislocation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
DC cardioversion (any indication)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Procedural sedation	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Complex laceration/wound repair	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bedside ultrasound (EDUS) any type	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

CONTACT DETAILS FOR YOUR CURRENT CHIEF OF STAFF/SUPERVISOR

For those currently practicing in Canada.

Your Chief of Staff/Supervisor will be asked to verify your submitted scope of practice and practice competencies. Please provide the contact information for your Chief of Staff/Supervisor.
