## DECLARATION OF UNDERSTANDING & AUTHORIZATION FOR RELEASE OF INFORMATION

### Identification

Surname:

Date of birth (*DD/MM/YY*):

Given name:

Middle name:

Dated at (*city and province*):

By providing my signature, I, the above-named physician, hereby agree to and authorize the following:

### Release of information to your Medical Regulatory Authority (MRA)

I agree that the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may release and disclose any and all information to the Medical Regulatory Authority ("MRA") in the province or territory in which I hold a medical license and/or registration to practice medicine and other national regulatory authorities, relative to my training history, practice profile, credentialing and examination eligibility, examination and or assessment results including but not limited to my scope of practice description, eligibility details, summary of performance and any ongoing evaluations and outcome. The Royal College may provide to my MRA copies of any and all records in my file. This authorization shall continue until revoked by me in writing.

### Release of information between Pivotal Research and the Royal College

I authorize the Royal College to release my contact information to Pivotal Research Inc. for the purposes of the completion of the Multisource Feedback surveys,

### Sharing of information between your current Chief of Staff/Supervisor and the Royal College

I authorize the person I listed as my Chief of Staff/Supervisor to release any and all information which the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may request relating to my training history, credentialing, and examination eligibility. I hereby authorize my Chief of Staff/Supervisor to provide to the Royal College copies of any and all records in my file. This authorization shall continue until revoked by me in writing. A photo copy of this authorization shall serve in its stead.

### Consequences of false/fraudulent documentation and/or irregular behaviour

I agree to provide authentic and accurate information and documentation to the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") and to participate in good faith in the assessment process.

I understand that if I provide false/fraudulent documentation to the Royal College or engage in irregular behavior with respect to my assessment, my actions may lead to serious consequences as outlined below.

In the event (i) that any of my information submitted to the Royal College including personal information in any documents in support of my application, including my credentials, is determined or believed by the Royal College not to be authentic or to be false, fraudulent or otherwise deceptive, or (ii) that any such information related to the Royal College submitted to other agencies is determined or believed by them or the Royal College not to be authentic or to be false, fraudulent or otherwise deceptive, or (iii) of any irregular behavior, the Royal College may take appropriate action as it sees fit, including, but not limited to:

- Revoking my eligibility;
- Terminating my assessment and withholding or invalidating my assessment results;
- Barring me from any future Royal College examinations or other assessments; and

Notifying each of the Canadian medical regulatory authorities, in addition to licensing, regulatory, educational, training, resident matching services, credentials verification authorities, hospitals, clinics and other medical facilities and organizations that utilize the services of physicians, government agencies (local, state, provincial, federal or foreign), law enforcement agencies or other third parties and organizations, and their representatives, who in the opinion of the Royal College have a legitimate interest in such information. I acknowledge that this notification or disclosure of information may occur regardless of whether or not I have withdrawn my consent to any other uses or disclosures of my information by the Royal College.

### Confidentiality Agreement

I undertake to respect the confidentiality of the assessment and acknowledge that I understand the following:

Failure to respect the confidentiality of the assessment may be deemed professional misconduct and my assessment results may be voided, and the Royal College of Physicians and Surgeons of Canada ("RC" or "Royal College") may notify Canadian licensing authorities of the situation.

That the examination questions and scenarios are protected by copyright and are the exclusive property of the Royal College.

That any reproduction, dissemination or other disclosure of the assessment questions and or scenarios in whole or in part is strictly prohibited and that the Royal College may take all available disciplinary measures and legal actions against any candidate or others who violate this confidentiality provision including revocation of eligibility, cancellation of results and prohibition from any other Royal College examination/assessment.

**Immunity and Release**

I hereby extend absolute immunity to, and release, discharge and hold harmless from any and all liability:

- 1) Royal College and its respective employees, agents, representatives, members, directors and officers; (collectively known as the Royal College,) for or in respect of any acts, communications, reports, statements, documents, recommendations or disclosures involving me, made in good faith and without malice by the Royal College.

Limitation of Liability:

The Royal College's liability for damages in connection with the conduct of the assessment whether arising in contract (including fundamental breach), tort (including negligence), or otherwise, even if the Royal College has been advised of the possibility of such damages, shall not exceed the amount of the assessment fee paid by the candidate. In no event shall the Royal College be liable for any indirect, incidental or consequential damages of any kind regardless of the cause and whether arising in contract (including fundamental breach), tort (including negligence), or otherwise, even if the Royal College has been advised of the possibility of such damages and release:

By providing my signature, I, the above-named physician, hereby acknowledge and agree to the Terms and Conditions listed above and consent to the disclosure of my personal information in accordance with those Terms and Conditions.

**Definition of a scope of practice:**

1. Every physician's scope of practice is unique
2. A physician's scope of practice is determined by the patients the physician cares for, the procedures performed, the treatment provided, and the practice environment
3. A physician's ability to perform competently in his or her scope of practice is determined by the physician's knowledge, skills and judgement, which are developed through training and experiences in that scope of practice

Name of applicant

Specialty

1) Describe your practice including the sites where you work, the nature of the work you do, and the patient population you see:

2) Describe the community in which you work, noting the way that services are organized, and access to peers and other allied health staff and multidisciplinary teams:

3) Describe your work with patients over the age of 65, whether it is during your on-call work or elsewhere, while estimating the volumes in a month and noting the kinds of issues you see and manage.

4) Describe your work with patients under the age of 18, whether it is during your on-call work or elsewhere, while estimating the volumes in a month and noting the kinds of issues you see and manage.

5) Candidates for this assessment must be involved in generalist practice across the lifespan. Where their current practice does not include patients across the life span, the candidate must provide additional information about past practice and/or training in those patient populations not covered by their current scope of practice.

All candidates will still be assessed for generalist competencies across the life span regardless of their current scope of practice.

6) In the chart below, please indicate in which location you see patients, the number of patients seen, and the number of hours spent in direct patient contact during a *typical work week* in the past 6 months:
