

Important Notice

TO: Candidates in Laboratory Medicine Disciplines
SUBJECT: Digital Images used during the Spring Examination Session

As previously communicated you have the opportunity to practice on the ImageScope Viewer software that will be used during the examinations.

The purpose of this communicate is to provide the **new web address** for the Aperio practice site.

- Go to the Royal College homepage at: <http://royalcollege.ca>
 - Scroll over Credentials, Examinations & Accreditation (Quick Links)
 - Select Information by Discipline and click on the Specialties drop down menu
 - Choose the appropriate Specialty
 - Click on the "Digitized Images Practice Site for Examinations"
 - Read through the PowerPoint presentation and click on the link to Aperio

You will be directed to the Aperio Practice Site and be required to login:

Username: rcimages@royalcollege.ca

Password: practice

- Once you are logged in click on the blue slide icon next to the image for the specialty you wish to access.
- This will open the Digital Slide Details. You can now practice with the slide.
